At Shalom House

Patients come to Shalom House any time from their diagnosis. Our aim is to help our patients make the very best of their remaining life. We take an holistic approach to care which includes physical, psychological, emotional, and spiritual wellbeing. Patient care is organised on an individual basis depending on need.

WHY WE NEED FRIENDS LIKE YOU

All our services are free to patients; we are a charity reliant on donations and fundraising by our teams of fund raisers. This is an opportunity for the local community to contribute to the running of this worthwhile provision.

How you can help.....

We invite you to contribute either by a one off donation or regular. . We need your support to continue and enhance the work we do.

As a friend you will receive.....

- An invitation to the Annual Friends Gathering
- Twice yearly newsletters to keep you in touch
